

2010 Economic and Demographic Workshop

Understanding Your Local Economy

Dr. Robert Eyer Ph.D., Department Chair of Economics at California State University, Sonoma, will present and discuss economic and demographic information including: current state, national and local conditions; housing market conditions; forecasts of economic recovery, long-term population and income growth; and local economic base industries. Dr. Eyer will answer questions specifically related to your county and encourages active participation.

Pre-registration of \$50 is required for each workshop, and guarantees the attendee a free copy of our NEW County Quick Facts Document (\$50 value).
